

Education is the key to a healthy economy.

Kurt Hubler believes that our schools are the foundation for healthy communities and local economic growth. From preschool to colleges and universities, quality education gives our kids the opportunity to compete globally and stay right here to grow local businesses.

Kurt Hubler will work to...

- Make education affordable for working-families
- Maintain Iowa's high education standards
- Invest in high-tech and creative job opportunities
- Keep our graduates here in Iowa
